**LEADING TRANSPORT
SERVICE PROVIDER**

**IMPORT CLEARANCE
& CUSTOMS**

**EDUCATION
& EMPLOYMENT**

1st Latvian ports handle the largest volume of cargo in the Baltic States

≥ 11 DAYS
to get your cargo from eastern China to Latvia by railway

RISING STARTUPS
Mapon, Bercman, Freighplat, Pilot, Digas are only a few to mention

Companies operating in the EU can register customs warehouse, thus storing goods under customs control without payment of customs duty and VAT on the borders. This allows performing additional activities, like assembling, packaging, labeling etc. & paying taxes & duties at the time of release for free circulation.

Transport Leaders
12 universities providing higher education

76 000+
of industry employees filling transport & logistics positions

2nd
in Europe with **96%** of Latvians speaking at least one foreign language

COUNTRY READY FOR ANY CHALLENGES

Our rising startups, as well as local scientists have significantly accelerated the digitization of the transport system — traffic monitoring, self driving cars and improved AI, etc. Latvian Scientists have attracted investments in various fields to build the future of transport and are ready to test your ideas.

**HELPING CONNECT
WORLDS APART**

Infrastructure and technology built to make working easy, talents speaking multiple languages & tech make Latvia a great transportation hub between East & West.

BUSINESSES USING LATVIA AS PLAYGROUND FOR THEIR IDEAS
