

No. LAT/231/141

The Embassy of the Republic of Moldova to the Republic of Latvia presents its compliments to the Ministry of Economics of the Republic of Latvia and has the honour to inform about the following:

The Government of the Republic of Moldova has applied for a loan from the European Bank for Reconstruction and Development (EBRD) which will be used by the state company Energocom for the purchase of natural gas for the Republic of Moldova. In this context, the Moldovan authorities invite the energy companies to review the announcement and consider participation in pre-selection process. In order for interested parties to be eligible to participate at the tender organized under the rules and procedures of EBRD, these must submit prequalification documents.

In this context the Embassy of the Republic of Moldova to the Republic of Latvia would appreciate the Ministry's support in disseminating to the interested companies/traders and joint ventures from Latvia the following information (*available at the links below and in attachment*):

- the Invitation for pre-qualification
