

KFA FUARCILIK

Küresel Fuar Acentesi
Global Fair Agency

As TETSIAD-(Association of Turkish Home Textile Industrialists and Businessmen), it gives us great pleasure to announce that [HOMETEX](#) – Istanbul International Home Textiles and Accessories Exhibition 2022 will be organised for the 26th time on May 17-21 2022 at Istanbul Expo Centre, as it always has been every year.

In order to be together with all the big companies of the Turkish Hometextile industry and to establish the right business connections, we invite you to [HOMETEX 2022](#) Exhibition, the second-largest exhibition on the world in its sector.

As the hometown of global textiles sector, [HOMETEX](#) features producers of bedroom & sleeping products, upholstery, curtains, bathroom textiles, carpet & floor coverings and all kinds of accessories dedicated to textile production – yearning to display the visionary concepts towards a quality & design conscious professional buyers especially from Morocco, Tunisia, Algeria, Germany, U.K., USA, Russian, Egypt, Kuwait, UAE and Saudi Arabia etc.

Over 1,000 leading manufacturing and export-import companies consisting +2500 brands will present their latest collections in home textiles, contract textiles, design, floor and wall coverings on 160,000 sq. areas.

WORLD-FAMOUS ADRESS of EASY ACCESS

[HOMETEX](#) sets the grounds for all actors of the home & contract textiles world which have longing for the face to face encounters in order to discover the new trends and fashion and to reinforce their existing network via high end & design conscious buyer groups.

Providing on-going flights respecting all measures against pandemic interactions, Turkey's geographical location known as the GREEN CORRIDOR facilitates the healthy travel for buyer delegations who will come from target countries, while ensuring a successful participation, healthy physical trade experience and ceaseless international visitor influx during the exhibition.
