In light of the significance of the mineral wealth sector and its associated industries in supporting national economies and contributing to the achievement of the Sustainable Development Goals, the 8th Fujairah International Mining Forum and accompanying exhibition will be held under the gracious patronage of

His Excellency Sheikh Hamad bin Mohammed Al Sharqi,
Member of the Supreme Council and Ruler of the Emirate of Fujairah.

The forum will be conducted under the slogan

"Mining Investment ... Sustainable Development,"

Emphasizing the need to encourage mining investments, utilize mineral resources efficiently, and enhance the value chain in alignment with global trends.

The Emirate of Fujairah will host to the 8th Fujairah International Mining Forum from September 26th to 28th, 2023. The Fujairah Natural Resources Corporation, along with the Ministry of Energy and Infrastructure and the Arab Industrial Development, Standardization, and Mining Organization, will be major partners in this event. Ministries, authorities, institutes for scientific research, universities, companies associated with the mining sector, and decision makers from all over the world including Arab countries will also participate. The forum will include sessions of dialogue, specialized workshops covering all themes of the forum, and an exhibition showcasing modern and innovative mining products.

This edition of the forum features an exceptional and unique event, namely the launch of an award for the best sustainable mining practices for distinguished facilities operating in the mining sector Emirate of Fujairah.

The Forum Organizing Committee is pleased to welcome all participants to the activities of this important international event. The forum aims to discuss the future of the mining sector, investment opportunities in the sector, support digital innovation and smart transformation in the sector, and explore its role in achieving the Sustainable Development Goals. Additionally, the forum will address the realities and prospects of energy transition minerals and their role in tackling climate change.

Objectives

- Reinforce the value chain in the mining sector.
- Discuss the future of the mining sector and explore investment opportunities within the industry.
- Reinforce the role of the mining sector in the energy transition and addressing climate change.
- Discuss global trends related to digital transformation in mining projects.
- Support digital innovation and promote smart transformation within the mining sector.
- Highlight the role of the mining sector in achieving the Sustainable Development Goals.
- Emphasize the significance of geotourism in supporting the national economy.
- Learn from best practices implemented by Arab and international companies and institutions operating in the mining field.

Themes

- Investment strategies in the mining sector.
- Energy transition minerals and their role in tackling climate changes.
- Value chain in the mining sector.
- Innovation and digital transformation in the mining sector (artificial intelligence, data and automation).
- Protection of geological heritage.
- Sustainability and corporate governance.

Entities Invited to Participate in the Forum

Participation in Forum Activities:

1. Dialogue Sessions

Speakers for the forum dialogue sessions are requested to fill out a digital form by scanning the provided code to indicate their interest and provide relevant information.

2. To attend the forum or participate in the exhibition, please follow these steps:

1. Scan the QR code provided to download the form.
2. Fill in the downloaded form with the required information.
3. Email the completed form to alyaa@fnrc.gov.ae.

By following these instructions, you can express your interest in attending the forum or participating in the exhibition. This process ensures that your participation is properly registered and coordinated.

Additional Information:

- The dialogue sessions and all forum activities will be presented in both Arabic and English, ensuring that participants can engage effectively in their preferred language.
- The Organizing Committee of the Forum will bear the costs of hosting the speakers during the conference period. This helps facilitate their participation without any financial burden.
- The deadline for registering as a speaker for the dialogue sessions, as well as submitting a recent personal photo and a short CV, is August 15, 2023. It is important to meet this deadline to ensure proper scheduling and preparation for the sessions.
- For participants and exhibitors requiring entry visas to the UAE, the deadline for sending their passports to the Fujairah Natural Resources Corporation is August 20, 2023. Please ensure that the passport is valid for at least six months from the date of the forum to meet the visa requirements.

These dates and requirements are crucial for a smooth and organized forum experience. Participants are encouraged to adhere to the deadlines to secure their participation and facilitate the necessary arrangements.
